

CARTER RUN CONSULTING

Job Description

Carter Run is currently seeking a mid-level or entry level Civil Design Engineer. This is a unique position with vast opportunities for the right individual. This position will be responsible for assisting in the preparation and revision of civil site plans and supporting documents for various project types. Our projects range from commercial site development including industrial and retail projects, residential subdivision layout and design, historic preservation/reuse projects, and single lot grading projects.

The ideal candidate is highly motivated and looking to be a key part of the expansion of a small firm with an opportunity to grow with the company.

About us

Carter Run is a small civil engineering firm located in Fauquier County, Virginia. We provide Civil Engineering services to our clients including commercial site plans, residential subdivisions, grading plans and feasibility studies. We strive to provide quality construction documents and attentive service.

Requirements

- Bachelor's Degree in Civil Engineering or related field
- AutoCAD Civil 3D Experience
- Excellent oral and written communications skills
- Proficiency with multiple computer applications and design software
- Ability to read and understand construction plans and documents
- Ability to work effectively in a team environment
- Ability to handle tasks independently with limited direction
- Reliable and dedicated work ethic

Preference will be given to applicants based upon the following criteria

- Engineer In Training (EIT)/Professional Engineer (PE) Certification
- Veterans
- Vast Civil 3D experience
- Practical experience with a civil engineering firm, general or site contractor

What we offer

- The opportunity to work with and learn from experienced professionals in team environment
- Flexible work environment
- The ability to see the positive impacts of your work
- The opportunity to shape the future growth of the company and be in on the ground floor.
- High potential for growth
- Benefits, including insurance, retirement, and paid time off
